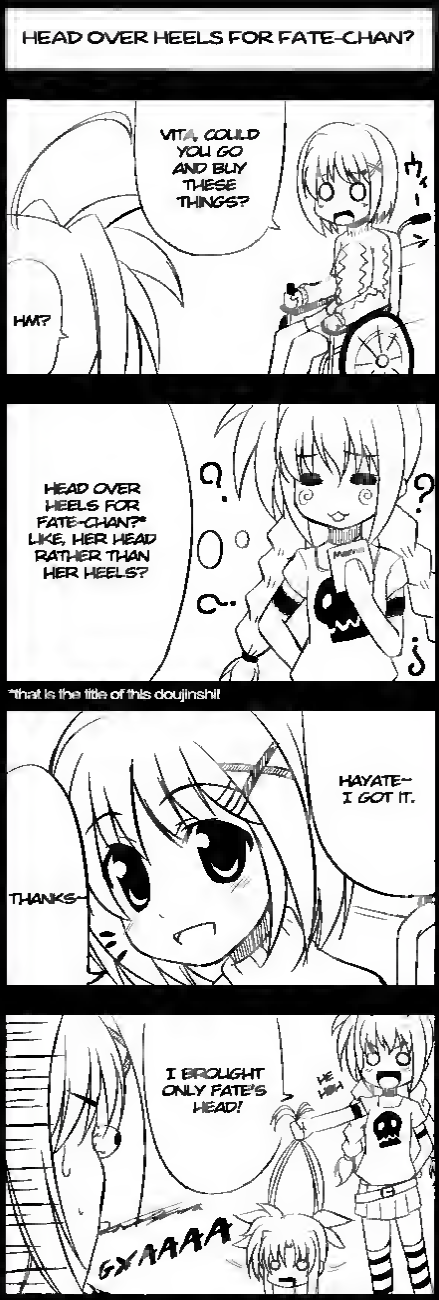
あとがき

はじめまして、おひさしぶり
こんにちは、Sw です。
今回はいろいろな人に追い詰められて
なのは本です。
夜に出回ってるなのは本とは
受け攻めが逆と言うか
なのはがぶっ壊れていますが
どうだったでしょうか？

色々あってちょっと薄っぺらい本に
なってしまいましたが
楽しんでもらえたら幸いです。

それでは最後にさわ先生の
玉稿でお別れです。

またお会いしましょう。



フェイトちゃんです。

This doujinshi was translated months ago by Anon2111, but we kind of forgot about the script and then when we were reminded about this project we delayed the release date for one or another reason, but it's finally here and we hope you enjoyed it, and sorry for the delay.
Probably "Matsuri no yoru ni" will be our next release, it's halfway done, but the release date is still uncertain.
If someone is interested in helping translating something or providing scans your help will be much appreciated.
